**STATEMENT OF SUBSTANCE OF INTERVIEW  
PURSUANT TO 37 C.F.R. 133(b) and MPEP 713.04**

On November 3, 2006, Examiner Harper granted the Applicants' attorney the courtesy of a telephonic interview. During the interview, the Applicants' attorney noted that the Advisory Action mailed on October 25, 2006 indicated that the Applicants' previous amendment was not entered for bringing up new issues that would require searching, and requested Examiner Harper to reconsider. Examiner Harper indicated that the amendments would require additional searching, and requested the Applicants file an RCE. He further indicated that it was likely a notice of allowance would follow.

Favorable action is solicited. The Applicants kindly invite the Examiners to contact the undersigned attorney by telephone, facsimile, or email for quickest resolution, if there are any remaining issues.

Respectfully submitted,  
JUN CHEN, ET AL.
